The Dadeville Performing Arts at 128 N. Broadnax is a historic building in need of attention from “Up on the Roof” to down “Under the Boardwalk. The roof and front awning need repair and maintenance. The “The Sound of Music” is heard in our auditorium where restroom upgrades and facelift are needed. The basement houses the HVAC and additional space that can be converted for use.

Dadeville Performing Arts Center is the home of Dadeville Community Chorus and the Lake Martin Dulcimer Club. Many musical events from concerts to community sing-a-longs have been hosted at The Center. Our mission is to “create music with friends” and become a destination to the Dadeville Square.

A special opportunity for our children is being offered this summer through Dadeville Performing Arts Center camps. Two sessions of an Arts Camp are planned, free of charge to children. Also, a Guitar Camp will offer a free guitar and lessons to participants.

So “NAME That TUNE” and select a level of giving to support Dadeville Performing Arts Center and help our community “create music with friends.”
